The Corporate Director for Regeneration and Economic Growth approves under Delegated Authority the submission of a bid to the Department of Transport Local Pinch Point Fund for a traffic signalled junction at the Lock Lane – Wheldon Road – Aire Street junction in Castleford. Approval is in the full knowledge and agreement of the bid ‘sign off requirements’ and the potential Council commitments should a grant offer be made and subsequently accepted. 2. The Corporate Director for Regeneration and Economic Growth notes that the bid will require the Council to secure/commit to a 30% local contribution to the scheme if the bid is successful. This will require a further report to Cabinet and full Council. 3. The Corporate Director for Regeneration and Economic Growth approve the level of match funding that would be required should the bid be successful, to be raised initially from corporate resources, whilst authorising officers to continue discussions with Leeds City Region and other funders to pursue alternative external funding avenues as a source of the match funding in order to reduce the financial commitment from the Council. |
