“Unwanted mail is not something we just have to live with. You have the power to be more selective about what comes through your letterbox”

The Mailing Preference Service is for you and everyone who wants to be removed from up to 95% of Direct Mail lists in the UK.

Many companies and charities rely on Direct Mail to tell people about their products, services or special offers and to get feedback. Some people agree to having mailings delivered to their homes.

However, the MPS service is for **YOU** and everyone who wants to reduce the amount of unwanted mail they receive. Supported by Direct Mail users and Royal Mail, MPS is **FREE** and registration is easy.

How it works:

MPS stops personally addressed unsolicited mail. Once you are registered, it takes 1- 4 months for the service to have full effect, though you should notice a reduction of mail during this time.

To register with the Mailing Preference Service:

- visit www.mpsonline.org.uk or
- fill in and send the attached Registration Form or
- call 0845 703 4599 (local rates)

Also available: Telephone Preference Service – call 0845 070 0707, Fax Preference Service – call 0845 070 0702 or visit mpsonline.org.uk
