

## ANNEX B – SCHEDULE OF ENDORSED CHANGES

Change Ref	Policy/ Para Ref	Endorsed Change	Explanation/ reason for change
CSA2	1.1	<b>Delete</b> reference to Appendix 1 of the Core Strategy	Appendix 1 deleted
CSA3	1.4	<b>Edit</b> the paragraph to read: <i>The LDF should be read as a whole and decisions about future development must have regard to all its relevant parts. The Core Strategy Development Plan Document (DPD) (in future referred to as "this document") brings together in one place all the strategic elements of the LDF. Further development plan documents will be produced covering topics for which there are no detailed policies in this document, such as :</i>  <i>Development Policies</i> <i>Waste</i> <i>Retailing/Town Centres</i> <i>Leisure/Open Space</i> <i>Site Specific Proposals</i>  <i>The Site Specific Proposals document will include details of proposed land allocations and designations and will also be accompanied by a Proposals Map.</i>	For clarity
CSA4	1.10	<b>Add</b> the following paragraph after 1.10: <i>The Council will adopt a spatial planning approach to the LDF to ensure the most efficient use of land by balancing competing demands within the context of sustainable development. Spatial planning goes beyond traditional land use planning to bring together and integrate policies for the development and use of land with other policies and programmes which influence the nature of places and how they function. This includes policies which can impact on land use, for example, by influencing the demands on or needs for development, but which are not capable of being delivered solely or mainly through the granting of planning permission and may be delivered through other means. Where other means of implementation are required links with other delivery agencies have been identified where possible.</i>	To add clarity.
CSA5	1.14 – 1.35	<b>Delete</b> the paragraphs.	Unnecessary text
CSA6	2.3	<b>Amend</b> to read: <i>The Context Map shows the district, its main settlements and transport routes and neighbouring authorities.</i> <b>Re-locate</b> the Context Map to follow paragraph 2.3	For clarity
