working for you

What's available?

1. Insulation grants - FREE loft and cavity wall insulation.

Available if you fall in to one of the following groups:

- Aged 60 or over and living in a private house that is council tax band A, B or C.
- In receipt of free or reduced cost NHS medical prescriptions and living in a private house that is council tax band A, B or C.
- In receipt of a qualifying benefit and living in a private house.

2. Insulation discounts - special low rates for loft and cavity wall insulation.

Available to anyone and prices start from £141 each for loft insulation and cavity wall insulation fully fitted.

3. Heating discounts - special low rates for a range of heating improvements.

Available to anyone and prices start from £3,474 for a full central heating system and £2,274 for a replacement gas boiler.

All energy efficiency improvement work is installed by highly skilled British Gas installers and comes with a guarantee to give you piece of mind.

Also available to qualifying households is the Wakefield Energy Savers Loan which provides interest FREE help with insulation, heating and solar power improvements.

Households are urged to apply now to secure their Energy Savers grant/discount as funding is limited!

Further details are available at www.wakefield.gov.uk/energy

Terms and conditions

All installations are subject to assessment and survey. Insulate grant improvements can only be installed in to the property where the qualifying person lives. 'Private house' refers to one that is either 'owner occupied' or 'private rented'. A list of insulation grant qualifying benefits is available on request. Free NHS medical prescription eligibility does not include monthly prepayment certificates.
