

Cyber BULLYing

Its not clever,
Its not bright,
So lets stick together
And do whats right.

depression

What if pure evil conquers ?

Whether its msn or a text
Bebo, Facebook or Twitter
Waiting to see what they type next,
Could be hurtful or bitter.

Help

A religion or belief,
Is how someone feels
From a special Christmas wreath
To precious Hindu meals.

Just because we may not agree
Doesn't mean to say
We shouldn't try to see
Race and religion in their own way.

a lie?

Mum and dad don't understand
Just how it makes me feel.
Sometimes I just wish
Being gay wasn't such a big deal.

Bullying over the internet
Isn't nice or smart
So the goal we have to set
Is not to take it to heart.

victim

'It's so cold'

plots

don't
