## ONE NIGHT IN THE ZOO

Author: Judith Kerr

The book is about some silly animals who live in a zoo. There are 10 animals. I like it because the tigers sneezed. They sneezed 7 times because they made the birds' feathers flutter off. It was funny too. I like it a lot because it has pretty pictures. To me the book rhymes at the bottom of every page. The book is great, good, sweet, magical, fabulous, and interesting. I think people would recommend. I would recommend it. I will give it 10 out of 10.
