

# What is the Safer Places Scheme all about?

The Safer Places Scheme will help you to feel safe when you are out and about in town and where you live.

We are asking shops, bus stations and other businesses to put a 'Safer Places' sticker in their window.

# What do I do if I don't feel safe?

If you are lost, feel unwell or you are being bullied, you can go to a shop or business with the 'Safer Places' sticker in the window.

Show a shop assistant your 'Safer Places' card and they will help you.
