Based on the published admission number in the Castleford Secondary Planning Area, there are sufficient school places forecast.

There are 9 surplus school places forecast in Year 7 for 2021/22 and there are 243 surplus school places forecast across all year groups.

Action Plan

MEDIUM PRIORITY

- Closely monitor the demand for Y7 places
- Work with Regeneration and Growth colleagues to monitor the speed of delivery from housing developments
- Continue further exploration of expected pupil yield from completed housing

Year 7 Mobility

The map below is shaded to show the total net flow of pupils between catchment areas in 2019/20. The arrows demonstrate the mobility of pupils between the schools and surrounding areas.
