

# Cathedral Secondary Planning Area

## School Information

| DfE  | School                    | Age Range | Type    | MAT  |
|------|---------------------------|-----------|---------|------|
| 4007 | Trinity Academy Cathedral | 11-16     | Academy | TMAT |

## Housing Development Information

Schools Organisation continue to work closely with Regeneration and Growth colleagues and attend regular meetings to understand the expected pupil yield from housing developments so they can be included in the school place planning process in a timely and effective way.

The table\* below shows the housing developments in the Cathedral Secondary Planning Area that have been taken into consideration by Schools Organisation.

| Planning App | Housing Development Name                     | Total Dwellings | Completed Dwellings | Outstanding Dwellings | Pupil Yield for Secondary |
|--------------|--|-----------------|---------------------|-----------------------|---------------------------|
| 15/02187/REM | Land at Balne Lane, Burton Street & Westgate | 116             | 20                  | 96                    | 14                        |
| 15/02888/FUL | Former Redcats Site                          | 96              | 77                  | 19                    | 3                         |
| 17/00801/REM | Flanshaw Industrial Estate                   | 140             | 0                   | 140                   | 21                        |
| 17/02506/FUL | Milton Crescent                              | 258             | 29                  | 229                   | 34                        |
| 18/02367/FUL | Land off Springfield Grange                  | 55              | 2                   | 53                    | 8                         |
| 19/01338/FUL | Former Warburtons Site                       | 46              | 0                   | 46                    | 7                         |
| 20/00306/FUL | 67-69 Alverthorpe Road                       | 15              | 0                   | 15                    | 2                         |

\* Only housing applications that are 15 dwellings and above are included in the table.

## Actual Numbers Per Year Group based on October Census 2019

| 2019/20                   |      | Y7  | Y8  | Y9  | Y10 | Y11 |  |  |
|---------------------------|------|-----|-----|-----|-----|-----|--|--|
| Trinity Academy Cathedral | AN:  | 210 | 210 | 210 | 210 | 210 |  |  |
|                           | NOR: | 207 | 203 | 206 | 189 | 159 |  |  |

## Forecast Numbers Per Year Group

| Cathedral Secondary Planning Area |      | Y7  | Y8  | Y9  | Y10 | Y11 |  |  |
|-----------------------------------|------|-----|-----|-----|-----|-----|--|--|
| 2020/21                           | AN:  | 210 | 210 | 210 | 210 | 210 |  |  |
|                                   | NOR: | 207 | 203 | 208 | 191 | 156 |  |  |
| 2021/22                           | AN:  | 210 | 210 | 210 | 210 | 210 |  |  |
|                                   | NOR: | 210 | 211 | 207 | 211 | 181 |  |  |
| 2022/23                           | AN:  | 210 | 210 | 210 | 210 | 210 |  |  |
|                                   | NOR: | 210 | 214 | 216 | 210 | 200 |  |  |
| 2023/24                           | AN:  | 210 | 210 | 210 | 210 | 210 |  |  |
|                                   | NOR: | 210 | 214 | 219 | 219 | 199 |  |  |
| 2024/25                           | AN:  | 210 | 210 | 210 | 210 | 210 |  |  |
|                                   | NOR: | 210 | 214 | 219 | 223 | 207 |  |  |

|                                   | NOR: | 210 | 214 | 219 | 223 | 211 |  |  |
| 2026/27                           | AN:  | 210 | 210 | 210 | 210 | 210 |  |  |
|                                   | NOR: | 210 | 214 | 219 | 223 | 211 |  |  |
| 2027/28                           | AN:  | 210 | 210 | 210 | 210 | 210 |  |  |
|                                   | NOR: | 210 | 214 | 219 | 223 | 211 |  |  |

Based on the published admission number in the Cathedral Secondary Planning Area, there is a shortfall of school places forecast.

There are no spare school places forecast in Year 7 for 2021/22 and there is a shortfall of 30 school places forecast across all year groups.

### Action Plan

#### HIGH PRIORITY

- Consult with the schools and academies within the affected and neighbouring secondary planning areas
- Consider temporary short term solutions to help with school place pressures

**Year 7 Mobility**

The map below is shaded to show the total net flow of pupils between catchment areas in 2019/20. The arrows demonstrate the mobility of pupils between the schools and surrounding areas.
