Housing Development Information

Schools Organisation continue to work closely with Regeneration and Growth colleagues and attend regular meetings to understand the expected pupil yield from housing developments so they can be included in the school place planning process in a timely and effective way.

The table* below shows the housing developments in the Knottingley Secondary Planning Area that have been taken into consideration by Schools Organisation.

Planning App	Housing Development Name	Total Dwellings	Completed Dwellings	Outstanding Dwellings	Pupil Yield for Secondary
16/01910/REM	Pontefract Road (Land At)	116	87	29	4
17/02362/FUL	3 Ferrybridge Road	39	13	26	4
18/01920/FUL	Womersley Road (Land West Of)	175	0	175	26

* Only housing applications that are 15 dwellings and above are included in the table.
