Housing Development Information

Schools Organisation continue to work closely with Regeneration and Growth colleagues and attend regular meetings to understand the expected pupil yield from housing developments so they can be included in the school place planning process in a timely and effective way.

The table* below shows the housing developments in the Minsthorpe Secondary Planning Area that have been taken into consideration by Schools Organisation.

Planning App	Housing Development Name	Total Dwellings	Completed Dwellings	Outstanding Dwellings	Pupil Yield for Secondary
11/01976/HYB	Westfield Lane (Land Off)	134	134	0	0
16/01004/FUL	School Street (Land At)	65	65	0	0
17/00840/FUL	Common Road (Land Off)	40	0	40	6
18/02768/FUL	Mill Lane WMC	15	15	0	0

* Only housing applications that are 15 dwellings and above are included in the table.

Based on the published admission number in the Minsthorpe Secondary Planning Area, there are sufficient school places forecast with minimal in-year pressures.

There are no spare school places forecast in Year 7 for 2021/22 and there are 90 surplus school places forecast across all year groups.

Action Plan

MEDIUM PRIORITY

- Closely monitor the in-year demand for places
- Liaise with colleagues in Admissions.

Year 7 Mobility

The map below is shaded to show the total net flow of pupils between catchment areas in 2019/20. The arrows demonstrate the mobility of pupils between the schools and surrounding areas.
