Based on the published admission number in the Wakefield West Secondary Planning Area, there is a shortfall of school places forecast.

There is a shortfall of 61 school places forecast in Year 7 for 2021/22 and there is a shortfall of 44 school places forecast across all year groups.

Action Plan

HIGH PRIORITY

- Consult with the schools and academies within the affected and neighbouring secondary planning areas
- Consider temporary short term solutions to help with school place pressures

Year 7 Mobility

The map below is shaded to show the total net flow of pupils between catchment areas in 2019/20. The arrows demonstrate the mobility of pupils between the schools and surrounding areas.
