### Bad weather conditions

If we are unable to collect your bin due to bad weather conditions please leave it out and we will collect it as soon as possible.

### Electrical items and batteries

Electrical items and batteries do not belong in any of your household waste bins. Please take them to your local household waste recycling centre, bring site or a battery collection point to be sent for recycling. You can find your nearest site on our website [www.wakefield.gov.uk/recycle](http://www.wakefield.gov.uk/recycle) Batteries can also be taken to most supermarkets and large stores for recycling.

### Extra garden collection

Please note: This is an additional Garden collection added to your current calendar

**Household Waste Recycling Centres** will be open every day except Christmas Day, Boxing Day and New Year's Day for all your excess recycling and festive rubbish. Speed up your visit to the HWRC and help us recycle even more by separating your rubbish at home before you bring it to us.

**Thank you for your recycling efforts this year; every clean item recycled makes a real difference.**
