

### Can you speak Gobblefunk?

Famous author Roald Dahl loved playing with words and inventing new ones. He loved to take words apart and put them back together again in a different way. "Propsposterous" (that's "ridiculous") you might think, but Roald Dahl loved creating new words for his readers and he called this language, Gobblefunk.

Can you match these two words together and then work out what it means in Gobblefunk?

1	Hop		Cheerful
2	Whizz		A bottom burp!
3	Crod		When you've been caught out!
4	Quog		A space alien
5	Ucky		Messy
6	Whoopsy		Great!
7	Froth		Silly
8	Del		Delicious
9	Swig		Disgusting food!
10	Fright		Very frightening
