2. How we use your data:

The Aspire Health Referral Service is part of the Wakefield Council Sport and Health Improvement Service. All our programmes seek to improve overall health and wellbeing by raising awareness, educating and supporting various behaviours which contribute to referred residents' maintaining a healthy weight.

When referral forms are submitted to the Aspire Health Referral Service they are inputted to our secure database – only designated members of the Aspire Health Referral Team have access to this system. Referees are contacted (in various methods) to gather relevant information in order for the Team to allocate to the most suitable/appropriate service. Multi-Disciplinary Team meetings take place regularly and referees cases may be discussed at these meetings also.

What information we collect about you:

- Your Name, Address, DOB, Post Code, Gender, Ethnicity, Disability status, Employment status.
- E-mail address and Telephone number(s)
- Your spoken, preferred written and reading language
- The name of your GP surgery and your NHS number, Biometric data, Health status, Medical conditions, Prescribed medication, Blood results and Medical History and whether you are pregnant or have given birth in the last 6 weeks.

The Aspire Health Referral Service has obtained your personal data from your health professional to provide their service:

We use this information to provide our service to you.

To enable us to provide our full service to you we may share your information with Mid Yorkshire Hospital Trust, Oviva Ltd, Slimming World, Public Health England and other internal or additional teams - along with the original referrer, your GP.

Should you decide not to provide any of the information we request from you unfortunately we will not be able to assess your needs and therefore will be unable to give you access to appropriate services.

3. What authority does the Council have to collect and use this information?

To provide you with information, and services
To notify you when a referral is received and when onward referrals have been made
To update you about any changes to our service or provision
To deal with complaints and comments
To prevent and detect fraud or crime
To demonstrate that our services are effective
To improve our service

We will not normally share your information with organisations other than our partner organisations without your consent; however, there may be certain circumstances where we would share without consent such as where we are required to do so by law, to safeguard public safety, and in risk of harm or emergency situations.

Any information which is shared will only be shared on a need to know basis, with appropriate individuals. Only the minimum information for the purpose will be shared.

4. How long will we keep your data?

We will keep your personal information collected for the purpose(s) detailed in section 2 for a period of 4 years, after which time it will be deleted from our systems. The reason for keeping information for this period of time is because it contains relevant information relating to patient records that may be essential if the patient returns to the service within this timescale.

5. Your rights and your personal data
